SUBJECT: Key Decision 2 Approval - Solar Ponds Subproject

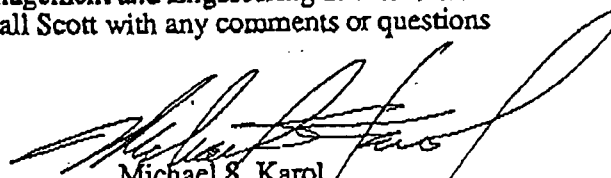

TO: Steve R. Keith, Program Director
Solar Pond Project
EG&G Rocky Flats, Inc.

ADMIN RECORD

Approval is hereby given for Key Decision 2, Approval to Commence Title II/Detailed Design, for the Solar Ponds Subproject, Interim Measure Remediation (Work Breakdown Structure number 1.4.7.1.1.04.3). The project baseline is established in the Management Control System (MCS) Interim Measure/Interim Remedial Action Environmental Assessment Decision Document of May 1994. Funding for this subproject is available under the Budget and Reporting Classification Code Number EW20 ADS 1258.

The Environmental Restoration Division, RFFO has directed EG&G to prepare documentation for a scope change, with accompanying cost and schedule changes, to incorporate pond sludge into the remediation. That baseline change will be considered by DOE and incorporated into the project baseline as appropriate.

Scott R. Surovchak, Project Management and Engineering at extension 3551 is the representative assigned to this project; please call Scott with any comments or questions

Michael S. Karol
Acting Assistant Manager for
Project Management & Engineering
